

IDUBE EARTHING EQUIPMENT

Working Earth Reticulation Kit (1 – 33kV)

(Induction Earth) For use on overhead lines with bare conductor from 1 – 33kV.

Rated at 3kA/1sec

REFERENCE

E-WER

DESCRIPTION AND CONTENTS

Not included: Voltage Detector, Earth Rod and Telescopic insulated stick with universal head

- 4 x 2m Phase to phase jumpers of 16mm² flexible copper with yellow translucent PVC sheathing with snap on clamps on both ends.
- 2 x 10m Phase to cluster bar jumpers of 16mm² flexible copper with yellow translucent PVC sheathing with a snap on clamp one end & an earth clamp on the other end.
- 1 x 4m Cluster bar to earth rod jumper of 16mm² flexible copper with yellow translucent PVC sheathing with earth clamps on both ends.
- 1 x Cluster Bar
- 1 x Snap on Clamp Removal Head
- 1 x 2 Prong Applicator Head
- 1 x Heavy Duty Carry Bag

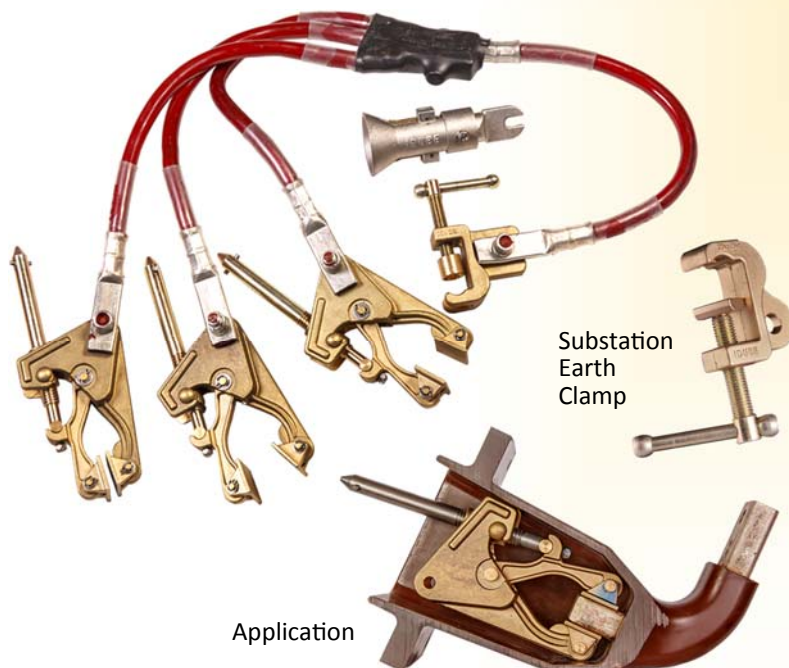

Circuit Breaker Earth Kit

For use on metal clad switchgear

REFERENCE

E-CBE

DESCRIPTION AND CONTENTS

- 3 x 1m 95mm² or 75mm² Copper with PVC sheathing with Circuit Breaker Clamp for flat bar on one end
- 1 x 3m 95mm² or 75mm² Copper with PVC sheathing with Substation Earth Clamp with PAD on one end
- 1 x Insulated stick 32mm dia x 600mm long
- 1 x Applicator Head
- 1 x Heavy duty protective bag

IDUBE EARTHING EQUIPMENT

Control Earth Reticulation Kit (1 - 33kV)

(Induction Earth) For use on overhead lines with bare conductor from 1 – 33kV.
Rated at 8kA/1sec

REFERENCE

E-CER

DESCRIPTION AND CONTENTS

- 2 x 2m Phase to phase jumpers of 40mm² flexible copper with red translucent PVC sheathing with snap on clamps both ends.
- 1 x 12m Phase to earth jumper of 40mm² flexible copper w' red translucent PVC with a snap on clamp on one end and an earth clamp on the other end.
- 1 x Snap on Clamp Removal Head
- 1 x 2 Prong Applicator Head
- 1 x Heavy Duty Carry Bag (Red)

Not included: Voltage Detector, Earth Rod and Telescopic insulated stick with universal head

Control Earth Sub Station Kit (10-20kA)

For use in sub-stations. Phase to earth jumpers

REFERENCE

E-CES

Optional Extra

DESCRIPTION AND CONTENTS

10kA - 20kA

- 3 x 6m Phase to earth jumpers of 95mm² flexible copper with red translucent PVC sheathing with a screw on clamp on one end & an earth clamp on the other end
- 1 x Heavy duty protective bag

*Not included: Applicator Head
Optional Extra*
